

YEAR 2 NEWSLETTER

Look out for flowers and trees in your garden, local park and on your journey to school.

How many can you name?

Can you name the different parts of the flower/ tree?

Can you find Seaham and Rio de Janeiro on Google Earth? What do they look like from an aerial view?

On your way to school, look out for human and physical features. Human features have been made by humans such as houses. Physical features are natural such as the sea.

Look at images of Van Gogh's 'Starry Night' painting. Can you recreate this? Will you choose paint, pencils, pens or crayons?

Holidays

Here are some ideas to support your child at home

Talk about what you would pack in your suitcase if you were going on holiday. Think about the difference between things you would want and things you would need.

Where would you like to go on holiday? Ask your family and friends where they would like to go. Does everyone agree?

Practise your throwing, jumping and running with your family.

Go on a visit to the seaside. Can you feel the sand between your toes? Can you build a sandcastle? Can you find a shell?

Reading Books

Please read with your child at least 4 times per week and sign their record.

Sun-cream

Please ensure your child comes to school wearing sun-cream on sunny days.

Messages

Uniform

Please ensure that your child's name is written on their jumper/cardigan.
