

Dear parents and carers,

We deliver short ten minute vocabulary lessons each day as research suggests that children's understanding and use of a wide range of vocabulary supports their attainment at school and prepares them for adult life. We aim to cover five words each week. The words are chosen from National Health Service age related wordlists and topic specific lists.

We would like to share these lists with you so that you can talk to your child about the meaning of the words and practise using them in sentences.

Class 3's topic this term will be Rainforests. The table below lists the words which will be studied in school each week.

Please see your child's class teacher if you have any questions or would like more information on vocabulary teaching.

Thank you

Year One Team

Week 1	Week 2	Week 3	Week 4	Week 5
rainforest	grow	deciduous	rougher	morning
observe	seed	evergreen	smoother	afternoon
environment	flower	wild	narrow	evening
climate	root	hollow	thick	quickest
habitat	stem	prickly	beginning	slowest
