We will be learning about children's rights and how we can affect change in the community around us. *Article 1&2 all children have rights.*

Article 29 - the right to be the best you can be.

Talk to your child about their family. Ask them to draw and label the people in their family – either who they live with or extend further.

Ourselves

Here are some ideas to support your child at home.

Talk to your child about their senses as they use them in daily life e.g. touch-is it too hot? smell-what can you smell? sight-is it safe to cross the road?

Link the senses to body parts.

Name body parts.

Talk about what is the same and what is different about people e.g. hair colour, height, food preferences, favourite toys etc.

Article 13 the right to share what you think with others.

Help your child to write letters and words with correct letter formation (letters starting and finishing in the correct place).

Article 28 - the right to an education.
