YEAR 1 - NEWSLETTER - Summer 1

We will be learning about rainforests around the world. We will locate and name the seven continents and oceans using atlases and globes.

We will be carrying out fieldwork in Geography then we will use the data collected to answer questions.

We will be playing 'Ten Point Hoops' in P.E. We will try to score points against an opponent using a range of skills and tactics.

We will enjoy stories which are set in rainforests and we will even have a go at writing our own rainforest adventures too.

Our topic this term is

Rainforests

Here are some ways we are exploring this topic.

We will be looking at similarities and differences between us and we will also learn the names for body parts.

We will be looking at rainforest inspired art work by Henri Rousseau before creating a large class piece of art.

We will be using apps to bring rainforest animals to life. We will also be programming and debugging Beebots.

We will be looking at parts of a plant and how plants grow. We will also investigate different mediums for growing seeds.

We will look at wild and garden plants, as well as local trees. We will look for spring seasonal changes.

We will be learning about Buddhism and the story of Siddhartha Gautama.

MESSAGES

Reading books are to be returned on a **FRIDAY**. Please ensure they are in your child's book bag.

Please ensure your child has their book bag with their home reading book in school every day.

P.E. - Please remember to send children to school in their P.E. kit.

Please remember to put your child's name in their school jumpers and cardigans as we move into the warmer weather.
