

YEAR 2 - TOPIC:

Holidays

This is what we are learning in geography lessons this half term.

Vocabulary

| | |
|-------------|--|
| landmarks | Well known places or buildings. |
| equator | An imaginary line around the middle of the Earth. It divides Earth into the Northern hemisphere and Southern hemisphere. |
| aerial view | The view of something from above. |
| climate | The usual weather conditions of an area. |

Key Knowledge

| | Seaham, England | Rio de Janeiro, Brazil |
|-----------|---|---|
| Location | Seaham is a town in our local area. It is situated on the coast in the north east of England, near the North Sea. England is a country in Europe. | Rio de Janeiro is a city in Brazil. It is situated on the east coast of Brazil near the Atlantic Ocean. Brazil is located in South America. |
| Landmarks | In Seaham, you could see the famous Tommy statue, the beaches, the lighthouse, the harbour cafes, shops and the pier. | In Rio De Janeiro, you could see Christ the Redeemer, Copacabana Beach or Sugar Loaf Mountain. Further away, you could visit the Amazon Rainforest or Iguazu Falls. |
| Weather | The temperatures in Seaham range between 6°C and 19°C and the average sea temperature is 10°C. It is almost 4000 miles away from the equator. | In Rio De Janeiro temperatures range between 25°C and 30°C and their average sea temperature is 23°C. It is just south of the equator. |

Human features

Things which humans have made.

Physical features

Things which are part of the natural world.
